1. Registering an Account

1. In order to receive an email from this system confirming that you have completed registration and scout emails from companies, read the below information.

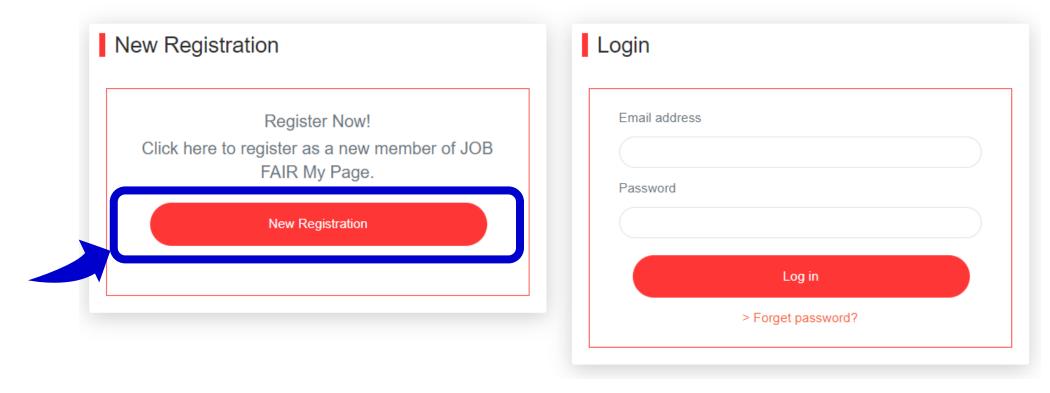

Emails received from this system may be recognized as spam by your email service, email software, and/or anti-virus software, and you may not receive emails from this system.

Before using this system, configure your settings to allow emails to be received from the following domain:

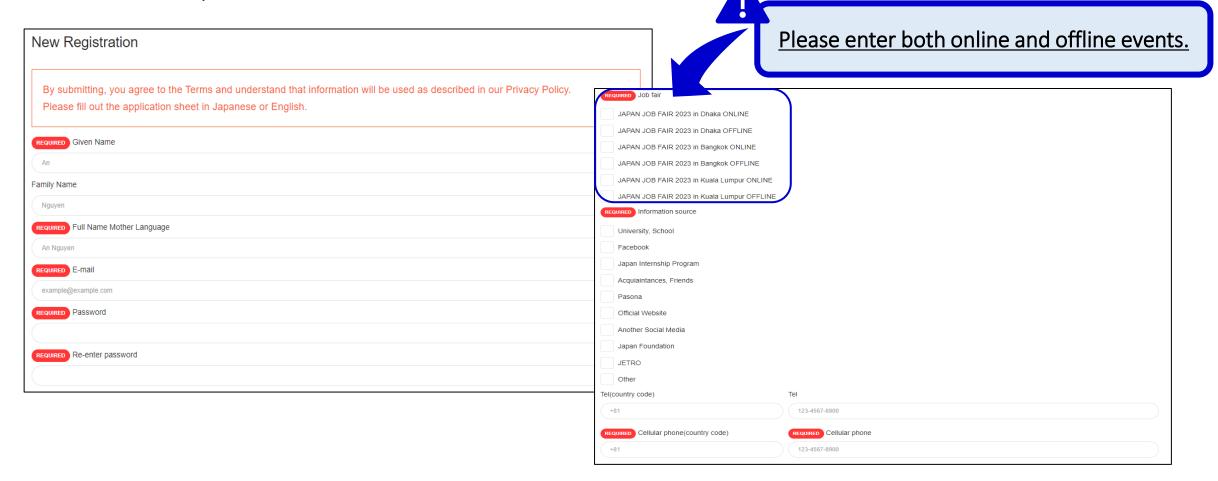

@mypage.japanjobfair.go.jp

- 2. Go to https://mypage.japanjobfair.go.jp/login and open the Login screen.
- 3. Click the New Registration button to open the New Registration screen.

Login · New Registration

4. Follow the form and input the required items to register an account. All items must be input.

5. Once you have input all the items, select the "I agree with the Privacy Policy" check box and click the Review the Information button. The confirmation screen will then appear.

Privacy Policy

Pasona, Inc. (hereinafter referred to as "the Company") has been commissioned by the Ministry of Economy, Trade and Industry to operate the JAPAN JOB FAIR in ASIA2023 (hereinafter referred to as "the Program"). In operating the Program, the Company shall be strongly aware of the importance of personal information obtained by the Company, shall comply with the Act on the Protection of Personal Information and other relevant laws and regulations, and declares that it shall safely and appropriately handle personal information in accordance with the "Handling of Personal Information" as set forth below.

- <Handling of Personal Information>
- 1. Purpose of use

Personal information obtained by the Company through the Program shall be used for the following purposes:

- To receive, respond to, and manage inquiries, applications, and feedback; send and provide materials; provide information on seminars and events for the Program; compile statistical data for and concerning the Program; and take other such actions;
- · With respect to the use of photographs, video footage, and other audio-video recordings, to publicize recruitment through the Program and report on outcomes of the Program.
- Providing personal information to third parties

I agree with the Privacy Policy.

6. Check the input information and if it is correct, click the Register button.

7. Temporary registration is complete when the Register Confirmation screen appears.

Verify Your Email Address

Before proceeding, please check your email for a verification link. If you did not receive the email,

click here to request another

Once temporary registration is complete, a confirmation email will be sent to the email address that you registered. Use that email to finalize registration of your account.

Note: You cannot attend a job fair if you do not finalize account registration.

1.2. Finalizing Account Registration

1. Once you have completed temporary account registration, finalize registration by clicking the link in the email that you received.

This is JAPAN JOB FAIR in ASIA office.

Thank you for your registration for "JAPAN JOB FAIR in ASIA 2023".

It is just a temporary registration, please read the instruction of our email carefully untill the end.

■Please access the following URL ("official registration" page).

https://hbw1004prcev.smartrelease.jp/email/verify/3/0050554c8f3bbf8efa4aec1777f5a34aefa05e94?expires=1687757287&signature=0e76208c89a60dedd1eab9c94ac6d417ac3c09f4b01b4454c88a9d30844e4fdd

* In case, if the URL above is divided into two lines, please copy the whole URL and paste it into your browser's address bar and complete authentication.

Once the above URL has been authenticated, you can log in to your account.

After one or more week has passed, the temporary registration data will be deleted, in that case please register again.

In addition, after log-in, create your profile/Web resume on My Page.

By creating all the necessary information with your attractive profiles, then you can have a contact from many companies.

■Deadline

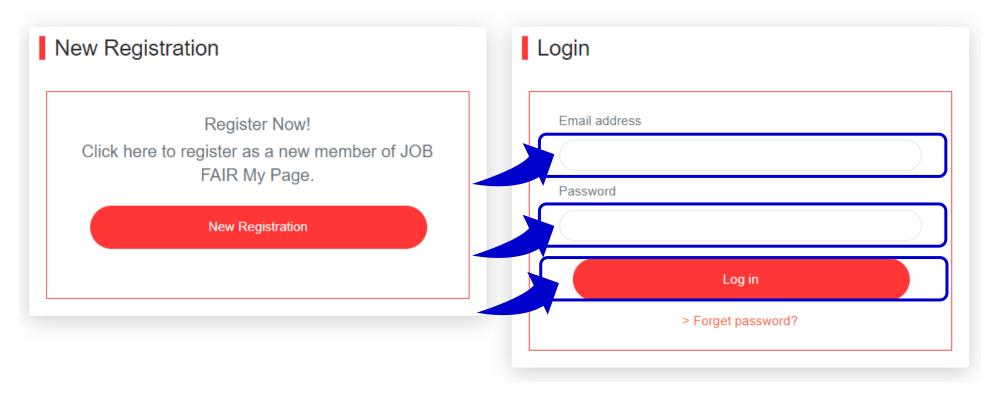

Please finalize this process within 7 days.

Regards,

1.3. Logging in to Your My Page

1. Input the Email address and Password that you registered, and then click the Log in button.

Login · New Registration

1.3. Logging in to Your My Page

2. After logging in, your My Page appears.

2. Setting Up Your Profile

1. Set up your profile. On the Menu of My Page, click the CV Registration button.

My PAGE

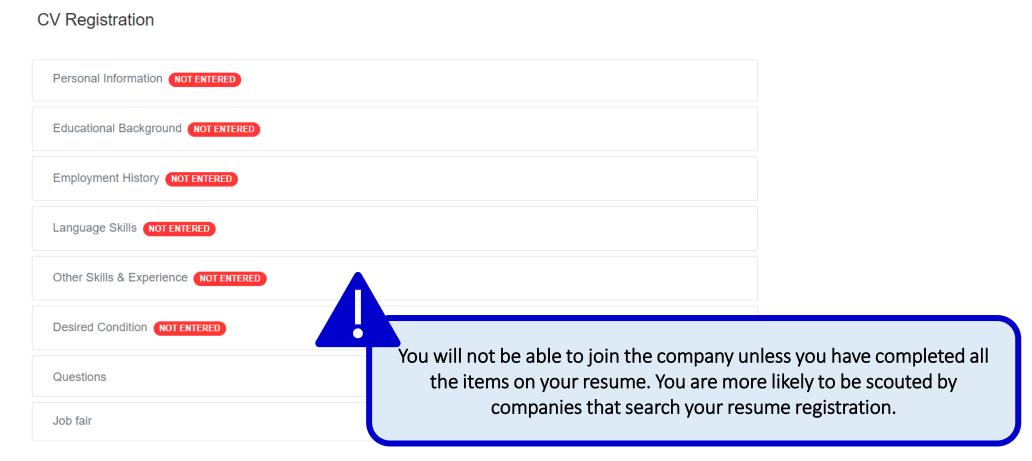

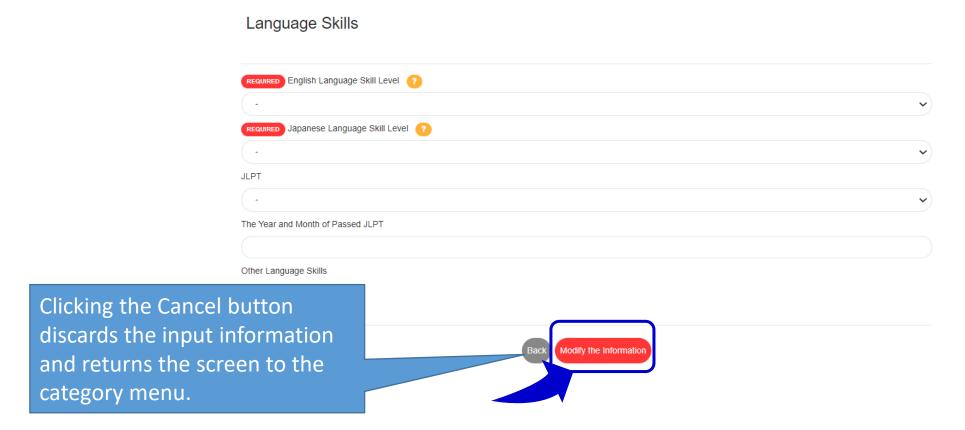

You will not be able to join the company unless you have completed all the items on your resume. You are more likely to be scouted by companies that search your resume registration.

2. A menu will appear for each category. Selecting the desired category will display the form for that category.

- 3. Input the items on the form. Note that items that have NOTENIERED appended to them must be input.
- 4. Once you have input the items, click the Modify the Information button.

5. Registration is complete when all NOTENTERED are cleared.

CV Registration

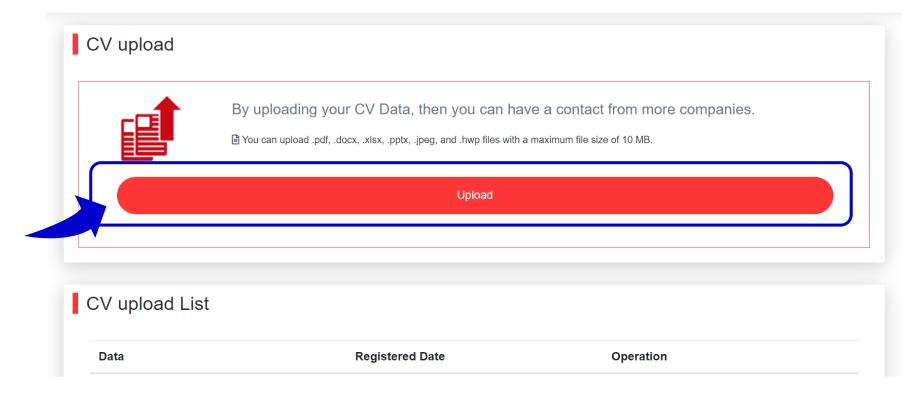

The CV that you set up will be available to companies that you applied to attend their online career seminar.

1. You can upload CV data. On the Menu of My Page, click the CV data upload button.

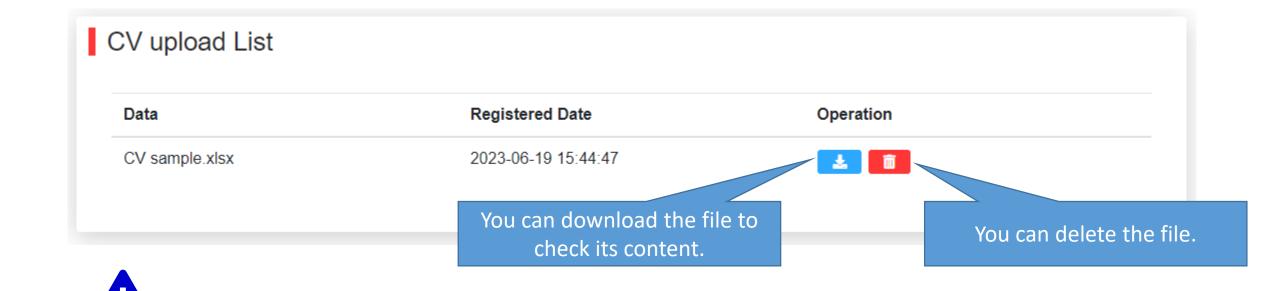

2. Click the Upload button and select the file that you want to upload.

You can upload .pdf, .docx, .xlsx, .pptx, .jpeg, and .hwp files with a maximum file size of 10 MB.

3. After you have uploaded a file, the file information will appear in the CV upload list.

The CV data that you uploaded will be available to companies that you applied to attend their online career seminar.

Primary Item	Tertiary Item	Before Entry	After Entry
Personal Information	Given Name/Family Name	×	0
	Date of birth	×	0
	Gender	×	0
	Nationality	×	0
	Mother Language	0	0
	Cellular phone(country code)	×	0
	E-mail	×	0
Educational Background	Current Status	0	0
	Name of University	0	0
	Faculty, Department and Major	0	0
	(Expected) Year and Month of Graduation	0	0
Employment History	Name of Company	×	0
	Type of Business	0	0
	English Language Skill Level	0	0
Language Skills	Japanese Language Skill Level	0	0
	JLPT	0	0
Other Skills & Experience	Other Language Skills	0	0
	Study abroad experience in Japan	0	0
CV upload	CV Date	×	0

This is a list of personal information disclosed to companies before and after the entry.

If you apply for an "entry" to the company, they will be able to obtain your contact information, so there is a possibility that they will contact you.

3. Scouting from Companies

3.1. Making it Easier for You to be Scouted

1. Companies consider whether to scout candidates for their career seminars based on the information below registered in **CV Registration**. Registering the below information will help you get scouted.

Item name	Item name
Native language	Japanese level
Type of university	English level
Major/field of research	Office software
Current affiliation (studying, etc.)	Other software
Graduation year, period	Programming languages
Job title	

If you enter, the company can get your contact information, so there is a possibility that you can interact.

However, we cannot guarantee an interview.

3.2. Responding to a Scout Email

1. You will receive an email if a company scouts you to attend their online career seminar. Check the company information and application guidelines, and if you are interested, apply* for the online career seminar. *See "4.3. Applying for Career Seminars"

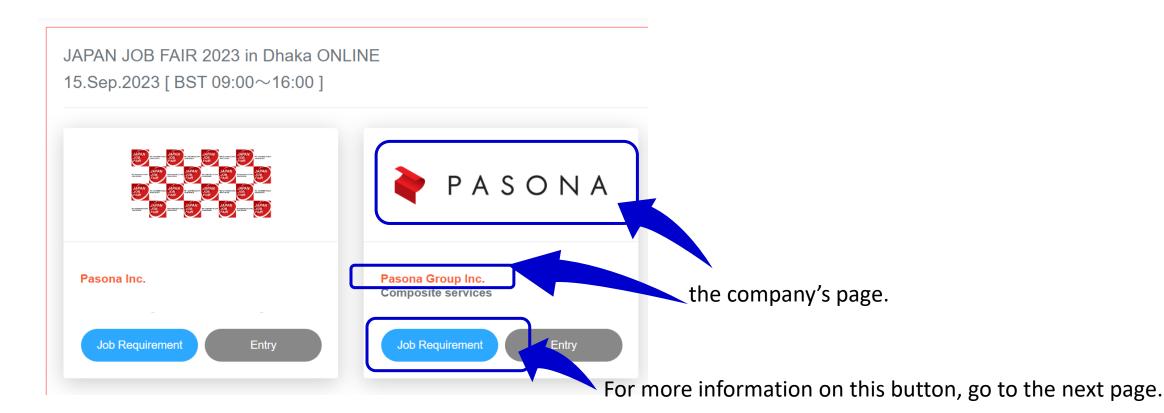

Applying to a career seminar will make all data in the CV that you registered available to the company. The more attractive the registered content is, the more likely the recruitment manager will scout you.

4. Checking the Recruitment Information of Participating Companies

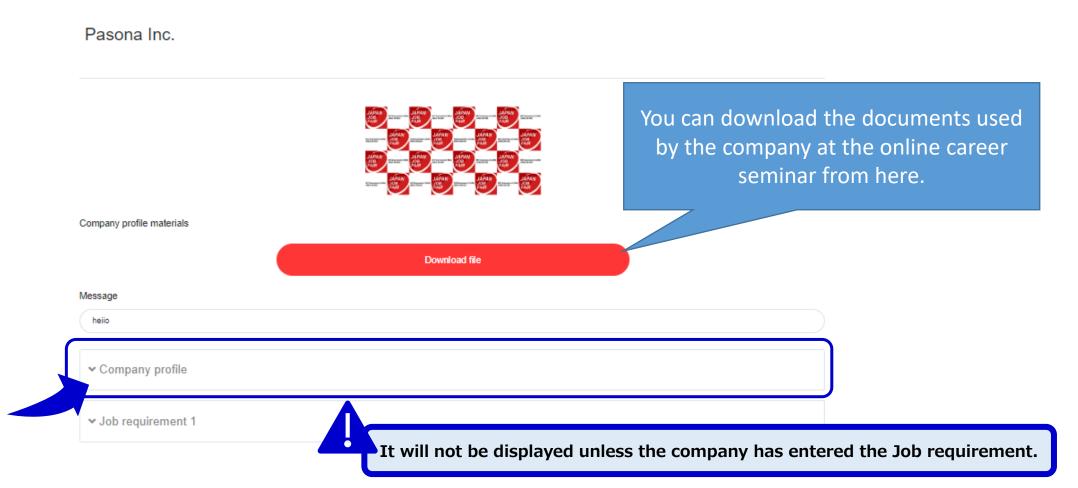

4.1. Viewing the Company Overview

 Click the Job Requirement link displayed in the Not Applied companies or Applied companies on the My Page homepage to display the company information screen Note: You can perform the same operation on the Applied List screen. (See "6.1. Checking the Applied List")
