

# JAPAN JOB FAIR 2020

Develop Your Career in Japan

**Malaysia / 7-8 November**  
**Indonesia / 21-22 November**  
**India / 12-13 December**

## For All Job Seekers

-For overseas students and others considering participating in the Japan Job Fair-

### About for JAPAN JOB FAIR

- This program provides foreigners working in Japan or who want to work in Japan with a support system and a chance to find the right job at a Japanese company by participating in the international job fair.
- Japanese companies aim to further promote the participation of foreigners in Japanese society by employing them to develop innovation, new products and services. Additionally, this will improve the competitiveness of overseas business expansion.

### Benefits of participating of Job fair

Participation in the job fair is free\*. This job fair is sponsored by the Government of Japan so there is no registration fee or participation fee for the career seminars. \*Internet communication costs are at your own expense.

All career seminars will be given online\*. You can interview with Japanese companies that you are interested in.  
\*Live stream with Q&A session

We will provide guidance on how to search for a job in Japan, how to interview, and how to write a CV before the job fair so you can participate with confidence.

### Message from job offers in 2019

◀ The Job fair provided sufficient information about the participating company that is very helpful for the applicant in order to choose the suitable company for them. I never found this good practice in previous Job fair. I want express my gratitude to Japan Government METI, because already held this Job fair and already open the new great opportunity for work in Japan. (Risky Christofel Wuwungan/Indonesia)

▶ This is the great initiative for those who want to work in Japan. This is not just only good for the employee but this is also good for the employer because from this they can find right candidate for their company. This is conducted by Japan Government, so there is no doubt about fraud. I would like to thanks to the METI Japan. (Karan Bisht/India)

## What's an online career session?

All career seminars can be attended remotely using "Cisco Webex Events" online conference system. Please prepare a PC or smart phone to receive the internet signal and download the application (not necessary if you are participating from a PC), and prepare for the internet environment such as Wi-Fi. All events are online and live. You can communicate with a company representative in the Q&A session.

## Exhibitors/Time schedule

- ※The online company information sessions will be held in several rooms. (2 rooms in Malaysia, 3 rooms in Indonesia and India)
- ※You must reserve a seat in the seminar in advance.
- ※Participation in multiple countries is possible.
- ※Guidance on how to participate in job fairs is also provided in each country prior to this implementation date. For more information, please refer to the Job Fair website.
